

Race Production Assistant – Part Time

A race production assistant would provide support for the event production team which includes local Playtri Race Production and the Ironman Expo Traveling Team. The responsibilities would include:

- Set up and maintenance of Event Registration and Athlete Communication
- Customer support and communication with athletes pre and post race
- Basic website editing
- Assistance with permit applications
- Packet Pick up Coordinator

Hours are flexible. Pay starts at \$15/hour and depends on experience. No travel is required, but the opportunity to work local events and/or Ironman events is an option if interested.
